

# COVID-19 UPDATE

## SUMMIT DERMATOLOGY IS OPEN

Dear Patients, Families, and Friends,

Summit Dermatology is committed to providing and maintaining a safe workplace for the well-being of our employees and patients.

We are continuously monitoring safety recommendations and guidelines from the CDC and Washington state health department.

We have implemented the following protocols in response to the pandemic:

1. All visits are by appointment only.
2. For retail purchases, please contact us by phone prior to your arrival. We have convenient curbside delivery service. Additionally, you may order online from our website for your convenience.
3. We have allowed for greater time between patients to allow for physical distancing between patients.
4. Check-in and check-out will occur in individual exam rooms.
5. Screening questions and temperatures will be taken at each visit.
6. Hand sanitizing stations are located throughout the office.
7. All patients, visitors, and staff are required to wear a face mask while in the office.

We appreciate your patience and understanding. As things continue to evolve, we will keep you informed. Please do not hesitate to contact us if you have any questions at 360-918-8101.

Stay safe!
